

## **Mum by John.**

Oh so sad,  
And yet, so beautiful;  
As we joined together today  
Our own private farewells to say.  
A very dear wife,  
Mother, grandmother,  
To many a precious friend  
Had come, so bravely, to her journey's end.  
But we all know,  
That with her faith,  
This was, for her, a new beginning,  
As she left us today, our minds still spinning;  
To a well earned peace,  
Her rest at last.  
Leaving us all with memories so fond,  
As we think back over the last days, and beyond.  
All the happy times,  
All the treasured moments,  
Which will sustain us in the days to come  
As we thank God for, the life of, our dear `Mum'.
